Complaint # 4

Re: Constitutional violation of Article 1 Section 8

Complaint on Eddie Bernice Johnson "we THE PEOPLE"

and John Wiley Price, because I'm not considered your constituent  
I'm a U.S. Citizen, Texan

I have been violated not by a racial opposer but by my own  
kind and it's been closer to home than I've thought. Ms Eddie Bernice  
Johnson and John Wiley Price has ventured and Covered our  
neighborhoods of Cokerliff and south Dallas for years and the same  
Government influences has torn our communities apart, its time  
for Justice to be served amongst the right individuals, our  
Commissioner and one of our Congress members, I'm not Jealous  
nor upset, but right is justice and wrongdoing for personal  
reasons is unjustifiable in court and within the law and  
both are under oath and both manipulates the law. The  
Preamble to our Constitution states that "We the People of  
the United States of America, "Texas and Me", in order to form  
a more perfect union, establish Justice, insure Domestic Tranquility,  
provide for the common Defense, promote the General welfare and secure  
the blessings of Liberty to ourselves and our posterity do ordain  
and Establish This Constitution for the United States of America. My  
Request for protection under this Article shouldn't go unclaimed nor  
voided, there are 10 lives at stake here and I will not allow them  
to take my life from me the little life that I have left. In Relief  
I pray that no reprosession whatsoever be brought against me and in violating my rights  
should be settled in court amongst our U.S. President Barack Obama if s
